# How to Make a Paper Goldfish

## 材料：

手工紙（正方形）、剪刀、筆

## Materials：

a square piece of paper, a pair of scissors, a pen

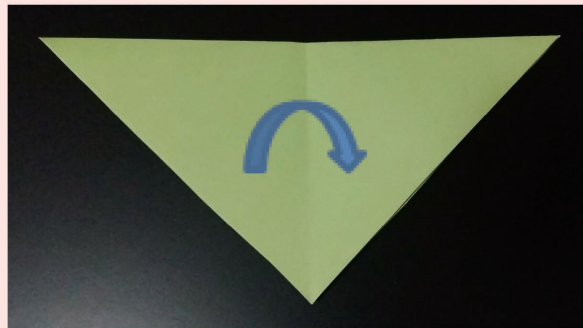

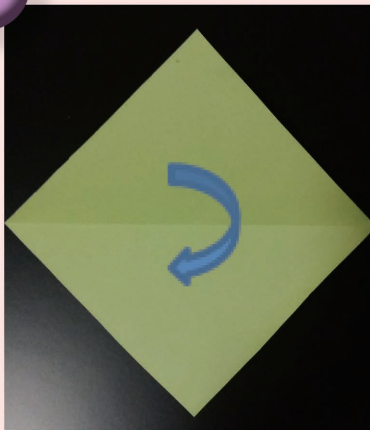

## 做法：

1. 把正方形紙沿一條對角線由上向下摺，再把三角形分半，復原。

## Steps：

1. Fold down the top flap of a square piece of paper on a diagonal to make a triangle. Then, fold the triangle in half horizontally and unfold it.

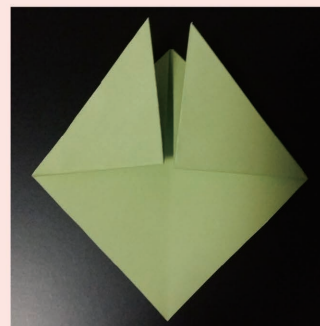

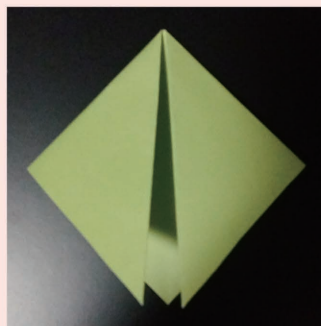

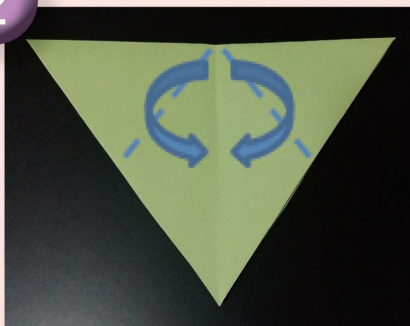

1

2. 把左右兩角向中線對摺，並把下方的兩角向上摺。

2. Fold the two corners down to the centre line and the two tips up to meet at the top.

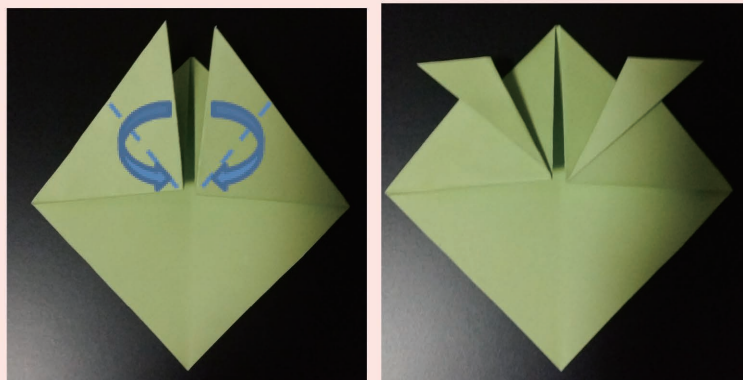

2

3. 把兩尖沿虛線向外摺。

3. Fold the two tips outward on the dotted line.

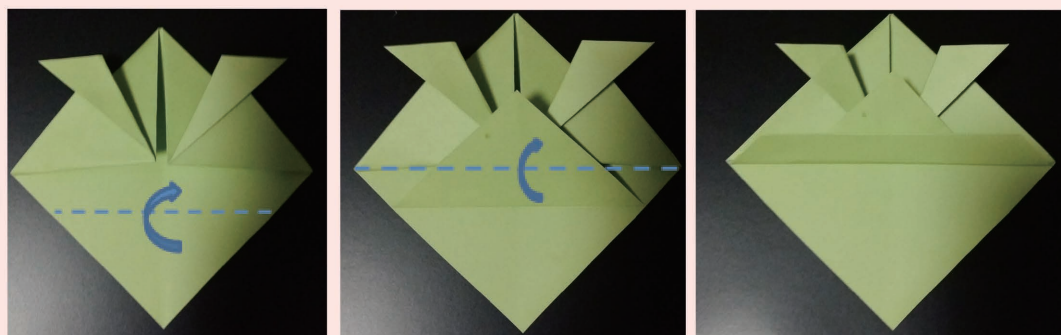

3

4. 把下方 2/3 位置向上摺，再把餘下部分向上摺。

4. Fold 2/3 of the front of the bottom corners up and the remaining edge upward to the centre.

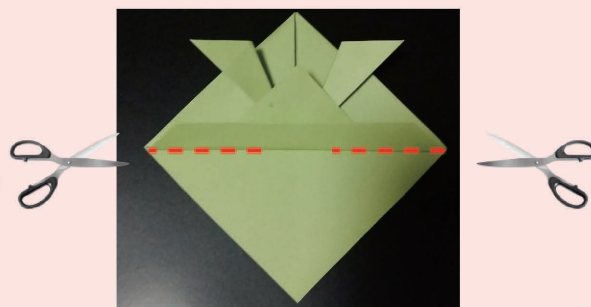

4

5. 用剪刀剪開下半部分的左、右各 3/4 左右。

5. Cut out 3/4 on each of the back sides of the paper.

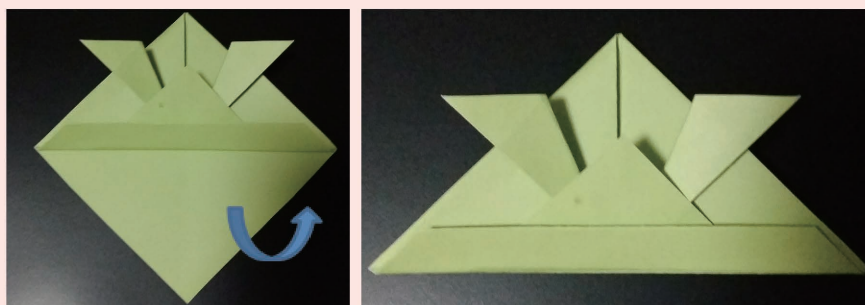

5

6. 把下半部分向後摺。

6. Fold the bottom half of the paper back.

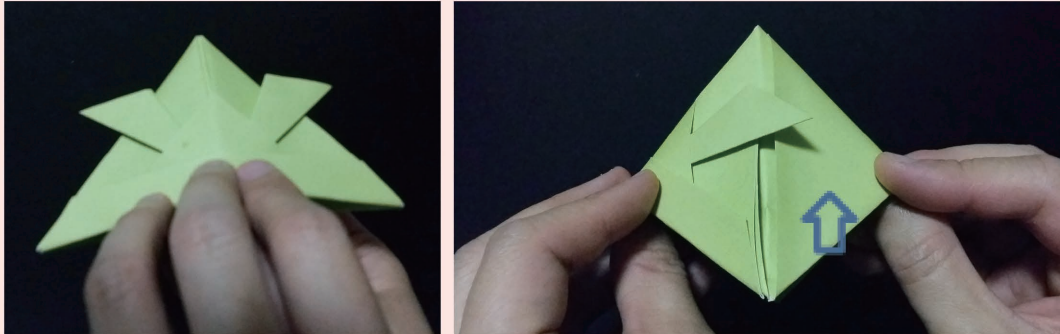

6

7. 從底部打開，轉 90° 後壓平。

7. Open the bottom part and flatten it by making a 90° turn.

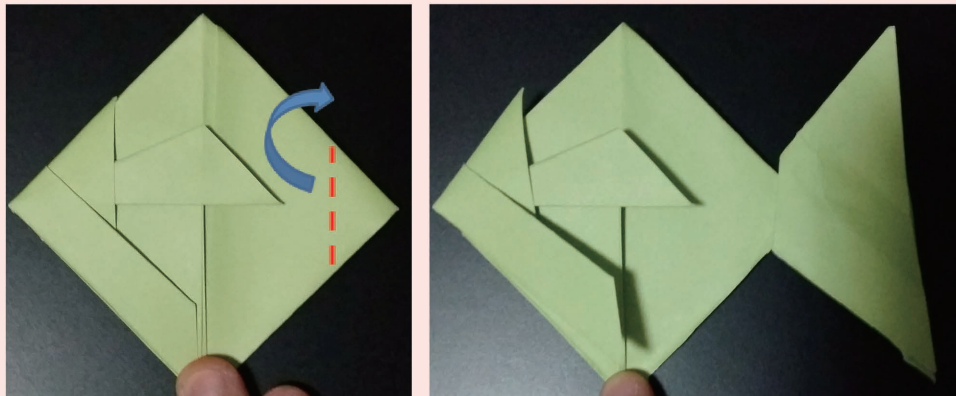

7

8. 從右後方的虛線位置從內向外翻，做成魚尾。

8. Fold the flap on the right side down on the dotted line to form the tail fin of the fish.

8

9. 畫上眼睛完成。

9. Finish off by drawing the eyes.
